

# Service Club Membership Application

Your Club Membership guarantees appointments, provides valuable FREE services and discounts on repairs, and allows you to apply a portion of your accumulated annual unused dues toward the purchase of special services or even a complete replacement system. You are guaranteed at all times that repairs are fixed right or they are FREE.

Regular service of your equipment can save you hundreds of dollars over the long haul in energy costs. In fact, as much as 30% per year! And regular service can extend the life of your system. Your membership will literally pay for itself year after year.

Once you join our Service Club, you become a preferred client. You can expect our highly trained and competent technicians to become completely familiar with you and your air conditioning and heating system.

Your membership is transferable either to the buyer of your current home or to your new home. If we do not satisfy you 100% with our service or repair you do not pay. **(Membership not effective until authorized by King of Comfort representative.)**
